ABOUT THANA CITY COUNTRY CLUB

Conveniently located 25 minutes from downtown Bangkok at kilometer 14 on the Bangna-Trad highway, Thana City Country Club was built in 1993.

Thana City Country Club has been completely redeveloped and rebranded in 2018 to provide families, couples and individuals with a complete range of athletic, recreational and lifestyle facilities.

The 7,008 yard, par 72 Greg Norman designed course is set in beautifully landscaped surroundings and features fast greens and strategically placed bunkers as well as natural lakes and streams. Excellent drainage also allows for play throughout the year.

The golf facilities at Thana City Country Club are comprehensive and second to none. In addition to the golf course there is a world class driving range, putting green, a short-game practice area and a golf academy that is recognized throughout the region as one of Thailand's best golf training centres.

The athletic and lifestyle facilities are similarly top-drawer and include a luxurious clubhouse and extensive facilities for a range of sports. We offer excellent food and beverage outlets and are one of Bangkok's leading venues for competitions, corporate golf and even company meetings and outings.
